2 The order of 29th Sept 1916 that one half of the bungalow in question be allowed to be temporarily occupied by the Sub Asstt Surgeon rent free.

3 The President fully but cannot suppose that only the out house & stables are in a neglected condition — Apparently the bungalow is in the full occupation of the Sub Asstt Surgeon — & it is said, that he could keep up the out house if the out house is repaired it may get neglected — It is therefore for consideration whether the building may not be so altered as to house 2 officers entitled to free quarters —

4 It is not clear from the papers whether the Building can accommodate one or two officers. If approved, an enquiry will be made.

PRESIDENT, CITY MUNICIPAL COUNCIL,

MYSORE.

To,

B. Ramaswamaiya, Esquire., B.A., B.L.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department.

SIR,

I have the honour to state that as the Travellers Bungalow in Mysore near Krangere Gokad was in disuse for a long time owing to the construction of a building near the Railway Station, it was proposed to allow the Sub Assistant Surgeon in charge of Epedimic Diseases Hospital, who had no quarters, to occupy a portion of the building rent free; and Government were pleased to sanction the proposal (Vide Government Order No.2147-50 Medl 90-16-5 dated 29th September 1916.)

The Sub Assistant Surgeon has accordingly been occupying one half of the building and the other half is in a much neglected condition.

The Executive Engineer, Mysore Division, who was consulted in the matter of converting the whole of the building into Residential Quarters for the use of the Sub Assistant Surgeon in charge of the Epedemic Diseases Hospital, is of opinion that there is no objection to do so. (Vide my letter No. 1218 dated 18th April 1918 and his reply thereto No.824 dated 24th April 1918 copies enclosed for reference.)

12

I therefore propose that the building may, with necessary alterations, be made into a residential Quarters for the use of the Sub Assistant Surgeon, attached to the Epedemic Diseases Hospital, as he is an indispensable Officer who must be provided with residence close by the Hospital.

I request you to kindly obtain the orders of Government at an early date.

I have the honour to be,

Your most obedient servant,

President.

Copy of letter No.1281 dated 18th April 1918, from the President, City Municipal Council, Mysore, to the Executive Engineer, Mysore Division, Mysore.

I have the honour to inform you that when I inspected the Travellers Bungalow near Erangere Ookad on the 10th Instant, the out-house and the stable attached thereto were full of rubbish and showed signs of long neglect. The Kotwal and Dandi seem to be quite in different to their work. I think it is better to convert the bungalow into the Quarters of the Sub Assistant Surgeon in charge of the Epidemic Diseases Hospital close by.

I request you to be so good as to let me know if this proposal is agreeable to you. On receipt of your reply further action will be taken in the matter.
